ABOUT THIS WINERY

At heart, Catena is a story about a family who poured their lives, passion and spirit into transforming scrub-laden desert into some of the most beautiful and unique vineyards in the world.

From generation to generation, blending collective memory with state-of-the-art science, the family has transformed Mendoza terroir into the fountainhead of the award-winning wines that carry the Catena name.

TASTING NOTES

This rich wine offers an explosive and acidic palette of red berries, red plums, and a slight taste of wood grain. Its aroma pairs perfectly with the taste, and smells of fresh berries and maple. The tannin in the wine combined with the red berries offers a highly acidic finish.
